CALL MONITOR

Call Monitor is available to Call Answer customers on a Pay Per Use basis for 15¢ per use. Call Answer Plus subscribers may use Call Monitor free of charge.

When your phone goes unanswered, a short ring will alert you once a call has been transferred to your mailbox.

To find out who is calling and listen without being heard:

- Pick up the receiver
- Press *95

Call Answer Plus subscribers may simply pick up the receiver or press the disconnect button – you do not have to dial *95.

If you want to speak with your caller:

- Press the [LINK](#) or disconnect button

If you do not want to speak with your caller:

- After listening, hang up.
