Bell MTS

Service available in select areas to residential customers only. Each TV requires a set-top box to access the service. One set-top box is included in price of service. Additional set-top boxes are \$3/month. Some set-top boxes can be refurbished. Equipment that is rented remains property of Bell MTS and must be returned if service is cancelled or replacement cost applies. Digital Network Access fee ("DNA Fee") applies to each TV. DNA Fee of first TV is included in the price of service. DNA Fee for additional TVs are \$3/month. Customers must subscribe to the Value Plus Group to subscribe to other channels groups. Channel packages and pricing are subject to change without notice. Bell MTS is a trademark of Bell Canada. All other logos are property of their respective owners.
