Gigabit Fibe	940 Mbps		Unlimited	\$163 ⁹⁵

Fibe™ Internet plans are available on the fibre-to-the-node or fibre-to-the-home network; some plans are only available on the fibre-to-the-home network. For more information please visit bellmts.ca/fibe

Service available in select areas. Residential customers only. TV: Each TV requires a set-top box to access the service. First wired set-top box is included in the price of service. Additional wired set-top boxes are \$3/month. Additional wireless set-top boxes are \$6/month. Equipment remains property of Bell MTS and must be returned if service is cancelled or replacement cost applies. Netflix membership required. Internet: Installation charge of \$99 may apply depending on your location. (1) Actual speeds may vary and are not guaranteed. Many factors affect speeds such as location, customer equipment, topographic and weather conditions and network management. (2) Unlimited Internet is subject to our Internet Usage Policy – visit bellmts.ca/internetusage and our Fair Use Policy – visit bellmts.ca/fairuse for details on our network management practices. Trademarks: Fibe and Bell MTS are trademarks of Bell Canada. CraveTV and its associated designs are trademarks of Bell Media Inc. All other trademarks are property of their respective owners.

†Pricing includes the monthly cost of your first wired set-top box rental.
